A world-renowned philosopher, cultural theorist and author, Kwame Anthony Appiah has published widely on moral philosophy, political theory, ethics, and African American literature and culture. A leading thinker on race and society, Professor Appiah's current research centers on the roles of idealization and ideals in psychology, ethics and politics, and his talk will focus on ethics in higher education.

Professor Appiah holds an appointment at New York University's Department of Philosophy and its School of Law.

INEQUALITY
